

FINDING A CHURCH HOME

I decree that me (and my family) have been placed in the local church that You have assigned for us! Thank You, Father for leading us and revealing your perfect plan in this regard. I thank You, according to Your Word (Jeremiah 3:15-KJV) that You have given me a pastor after Your own heart. He shall feed me with knowledge and understanding. Your Word declares that he will teach me the decrees and laws of Your Word, show me the way that I must live, and teach me how to recognize my God-given assignment in life. (Exodus 18:20-AMPC). This is Your will as expressed in Your Word that we will not forsake the assembling of ourselves together (Hebrews 10:25-KJV). In that local church, we will serve as unto the Lord and not unto man (Colossians 3:23-KJV). We will submit to the spiritual leadership and vision of that local church as we recognize their authority over us in constantly keeping watch over our souls and guarding our spiritual welfare. We will do our part so that they may lead with joy and ease and their spiritual leadership and guidance will be profitable for us (Hebrews 13:17-AMPC). In Jesus Name, Amen!
