

THE ABUNDANT LIFE

Father, I thank You for life in Abundance. I receive success, prosperity, and good health. I bind and defy lack. You provide for my every need according to Your riches in glory. Thank You for giving me the authority over the spirit of poverty. I loose Abundance in my household, my church, and my city. Wealth, health, and wisdom is springing forth in my Now! I am wealthy, healthy, and wise in Jesus' name.

Thank You Lord, for the Abundance of peace, prosperity, security, stability, and truth. Your ability is limitless. Without a doubt, I know You are able to do exceeding, abundantly, and above all that I ask or think – according to the working power within me. Therefore, I think Abundance, speak Abundance, and believe Abundance into my life! I am rich both spiritually and materially. I am created to create wealth. In Jesus' name. Amen!
