

## VICTORY IN LEGAL BATTLES

Father, I thank You for Your Peace. I will not fret or have any anxiety about anything, but rather I will speak Your Word over every situation in my life. I thank You for Your goodness and favor toward me. I thank you for Your Peace that extends beyond my understanding and guards over my heart and my mind in Christ Jesus<sup>(Philippians 4:6-7-AMPC)</sup>. Thank You Lord that there is nothing to fear because You are with me. Therefore, I will not look around me in terror or dismay. You are strengthening and hardening me to difficulties. You are my Help! You uphold me and retain me with Your victorious right hand of justice! I receive the victory in my situation now, in Jesus' name! <sup>(Isaiah 41:10-AMPC)</sup>. Thank You for Your Holy Spirit Who is my Chief Counselor, Lawyer, and Advocate in this case. He is my Helper and Intercessor, pleading my case before the Throne of Grace. He is teaching me everything I need to know and bringing all things Jesus has spoken to my remembrance.

Your Word declares that You have hidden away sound and Godly Wisdom for me and that Your wisdom act as a shield of protection for me <sup>(Proverbs 2:7-AMPC)</sup>. I receive Your wisdom and Your protection of my interest in this case. You declared that You have given me a mouth with such utterance and wisdom that all of my foes (known and unknown) combined will not be able to stand against nor refute! In Your wisdom is my deliverance <sup>(Luke 21:15-AMPC)</sup>. Your Word declares that I am restored and that my light is breaking forth like the morning! The power of a new life is springing forth speedily. Justice goes before me conducting me to peace and prosperity <sup>(Isaiah 58:8-AMPC)</sup>! You defend me, protect me, and avenge me speedily <sup>(Luke 18:8)</sup>!

Father, I declare my trust is in You! I rely on You and my confidence is in You Lord! I do not put my trust in man. Therefore, I am like a tree planted by the rivers of water. My leaves remain green even during the drought. I will not be anxious and neither will I be full of care. I continue bearing fruit regardless of the conditions around me <sup>(Jeremiah 17:7-8)</sup>.

I am thankful to You God because in Christ You always lead me into triumph as a trophy of Christ's victory <sup>(2 Corinthians 2:14)</sup>. I declare Your victory over my life! Because You are my Provider, I experience no want or lack! You lead me into green pastures of plush provisions and peaceful recreation. You refresh and restore me daily. You guide me in this situation through Your path of righteousness and justice. Even through the difficult times, I will not fear nor dread any evil act against me because You are with me. Your rod protects me and Your staff guides and comforts me. You prepare my victory right in the face of all my enemies (known and unknown). You have anointed me and Your goodness, mercy, favor, and unfailing love follow me the days of my life and in every situation. Your Presence shall remain my dwelling place. In Jesus' name. Amen <sup>(Psalm 23)</sup> !
