

MY CHILDREN

Father, In the Name of Jesus, I pray and confess Your Word over my children and surround them with my faith – faith in Your Word that You watch over it to perform it! I confess that my children are disciples of Christ and are great children of God in the earth taught of the Lord and obedient to Your will. Great is the peace and undisturbed composure of all my children, because You, God, contend with that which contends with my children, and You give them safety and ease them.

Father, You said in Your Word that You will perfect that which concerns me. Therefore, I cast the care of my children over to You. They are in Your hands and I am positively persuaded that You are able to guard and keep that which I have committed to You. You are more than enough and Your grace is sufficient for each of my children.

I confess that my sons and daughter obey their parents in the Lord, because this is just and right. They honor, esteem, and value as precious their parents because You declare it so. My seed is mighty in the earth to obey and honor You in all of their ways. My seed has chosen life and has chosen to love You.

You shall give Your angels charge over them to accompany, defend, and preserve them in all of their ways. They are walking in the fullness of the Promises of God. They are heirs of the Promise, inheritors of the Abrahamic Covenant, walking in divine health, prosperity, and wholeness in every area of life. My children lack in no good thing. My children have received the inheritance of wealth to further establish the covenant promises of God in the earth. They are blessed of the Lord. They shall be known as a delightful people living in a delightful land. Their houses shall be filled with goodly things. Wealth and riches shall be in their houses.

Isaiah 54:13-14 says that all my children shall be taught of the LORD; and great shall be the peace of my children. In righteousness shall they be established: they shall be far from oppression; for they shall not fear: and from terror; for it shall not come near them.

Thank you Lord, that you have given my me the wisdom and the grace to provide for our children. You have anointed us to be their parents. When they are with me I will show them your ways. We will rear them in the training, discipline, counsel, and admonition of the Lord. We will train them in the way that they should go and when they are old they will not depart from it. The enemy is turned back from my children in the Name of Jesus! They shall all increase in wisdom and in favor with God and mankind. Amen.
