

Faith Keys For Advancing

The most common enemy to advancement is adversity. As a believer, we have been endowed with supernatural ability to advance through all adversity. You possess everything you need on the inside of you to persevere through all things engineered to hinder your growth and development.

Push Through!

Nehemiah 2:19

- There will be opposition to your advancing.
- Your Sanballets, Tobiahs, and Geshems will appear in the form of circumstances, fears, and vain imaginations.

Imagine It So!

Genesis 11:6

- Unity of faith and unity of speech gives power to the imagined thing.
- When you say what you believe and believe what you say, you produce unstoppable power.

Fear Not!

2 Chronicles 20:17

- Your advancement is not based on your ability, but rather God's ability in you.
- Your assignment is to keep your faith up and to keep fear out. Set yourself, stand still, and see the salvation of the Lord.
